If you feel your responses are trade secret or privileged, please indicate this on your response.

Request No.	ITC Transmission Project
2.	Please provide a copy of the updated and/or FINAL version of Application Exhibit Q, "New Tie Line Loop Flow Impact Study."
3.	Please provide a copy of the updated and/or FINAL version of Application Exhibit N, the Dorsey – Iron Range 500 kV Project Preliminary Stability Analysis.
4.	With the exception of the MISO Northern Area Study, June 2013, Application Appendix M, please provide a copy and an active working link for any and all MISO scopes and studies, committee presentations, agendas and meeting minutes referencing all or part of the project known as Great Northern Transmission Study.
5.	Please provide a complete copy of the Manitoba Hydro "Needs For and Alternatives" (NFAT) Application (if additional filings are available than that available on the link, p. 4 of GNTL Application) and the complete Manitoba Hydro filing with the National Energy Board for its part of this project.

6. Please provide a complete copy of the “Presidential Permit Application” for the GNTL, Federal Register notice, any and all related correspondence and filings, and timeline for Presidential Permit process.

These requests are continuing, and if new or additional information is discovered, please supplement your responses as soon as possible.

For all but Applications, electronic format preferred, via email or CD.
