11. Who or what pays the other 2/3 of the Minnesota attributable costs for this project?

**Response:**

As stated in Section 3.1 and 3.2 of the filing, Minnesota Power will own 51% of the Project's asset but will only be financially responsible for 33.3% of the project's revenue requirements. Manitoba Hydro through a separate fee arrangement will reimburse Minnesota Power for the balance of the Minnesota Power revenue requirements (17.7%). The remaining 49% of the project will be funded by Manitoba Hydro or its subsidiary and that entity will be financially responsible for those revenue requirements.

These requests are continuing, and if new or additional information is discovered, please supplement your responses as soon as possible.
