If you feel your responses are trade secret or privileged, please indicate this on your response.

Request No.	
13.	How are costs to be recovered for the Canadian portion of the project?

Response:

Manitoba Hydro is responsible for costs for building a 500 kV transmission line in Canada and these costs are not part of the “project” costs. Manitoba Hydro is responsible for cost recovery of its costs in Canada.

These requests are continuing, and if new or additional information is discovered, please supplement your responses as soon as possible.

Electronic format preferred, via email or CD.
