Request No.	
14.	The Application claims Minnesota Power will have a majority ownership of the Project. Does this mean a majority ownership of the entire project or the Minnesota portion of the project?

Response:

The Project is defined as a 500 kV transmission line from the Canadian border to Minnesota Power's Blackberry Substation and Minnesota Power will have a majority ownership of the Project.

These requests are continuing, and if new or additional information is discovered, please supplement your responses as soon as possible.

Electronic format preferred, via email or CD.
